PRODUCT DESCRIPTION

Designer: Franco Albini

Nemo Lighting Albini AM2Z Floor Lamp

The Nemo Lighting Albini AM2Z Floor Lamp pairs a slender metal stem and circular base with a generous, bowl-shaped shade for a sleek and minimalist aesthetic. Part of Franco Albini's **Albini AM/AS Collection**, designed in 1969, the lamp's clean lines reflect the designer's rationalist approach. These linear shapes are combined with high-quality materials such as a hand-blown glass diffuser. A polished chrome finish across the lamp highlights its sculptural silhouette, making it a distinctive addition to contemporary interiors.

Standing 180cm tall, the AM2Z directs light upwards to provide indirect illumination, adding a welcoming ambience to living areas, dining rooms, and office spaces. A dimmer located on the cable allows users to adjust brightness to suit any mood. Display with other pieces from the Albini AM/AS Collection for a sophisticated and balanced scheme throughout the home.
