PRODUCT DESCRIPTION

Designer: SkLO

Sklo Hold Pendant

The Sklo Hold Pendant combines expressive hand-blown glass with ornamental brass detailing. Its hand-blown glass shade appears to stretch from its hook as though still molten, giving the pendant a sense of movement. Suspended from a rigid brass tube stem with a brass hook, the pendant contrasts the delicacy of glass against strong metal for a captivating display. The Hold is available in two sizes to suit a range of spaces.

The handmade nature of the Hold Pendant results in subtle variations in wall thickness and colour density, giving each piece its own character. This is part of SkLO's design intent and celebrates the art of hand-blown glass. Display individually as a subtle, ornamental addition to a room, or arrange in multiples in different finishes for a display that blurs the line between an artistic installation and a functional lighting solution.

The Hold Pendant includes SkLO's field-adjustable Standard Stem Kit. A field-adjustable Extended Stem Kit is available at an additional cost. See specifications for kit details. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	1 x Max 25W E14 LED (Included)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	**Hold 12**: Height: 30.5cm Width: 12.5cm Depth: 7.5cm **Hold 18**: Height: 45.5cm Width: 20.5cm Depth: 10cm Canopy: Ø10cm **Standard Stem Kit (included)** 1 x 15.2cm, 2 x 30.5cm, and 1 x 45.8cm **Extended Stem Kit (available at additional cost)** 1 x 15.2cm, 1 x 30.5cm, 1 x 45.8cm, 1 x 61cm, and 1 x 91.5cm
