PRODUCT DESCRIPTION

Designer: SkLO

SkLO Elizabeth 2 Profile 1 Pendant

The SkLO Elizabeth 2 is a decorative pendant crafted from hand-blown check glass and brass. A large transparent glass dome encapsulates an elongated inner glass diffuser, playing with geometry for a captivating form. The glass pieces suspend from a brass stem that transitions into an ornate, curved profile above the glass.

Offering multiple customisation options, the Elizabeth 2 Pendant can be adapted to suit any interior. The glass is available in three combinations: Light Beige/ Olivin, White/ Smoke, and Pastel Green/ Pine Tree Green. The metal finishes are available in a choice of Antique Brass, Brushed Brass, Polished Nickel, Dark Oxidised, and Brushed Nickel. Due to the handcrafted nature of the glass, subtle variations in thickness, colour, and shape may occur. This is part of SkLO's design intent, giving each piece a unique character.

Display the Elizabeth 2 Pendant in any space that calls for decorative lighting, such as a bedroom, living area, or dining room. Casting a gentle, glare-free glow, the pendant adds a warm ambience for a comfortable and inviting atmosphere.

Please note, the images show the Elizabeth 2 Profile 1. Four additional profiles are available; see specification image for details.

The Elizabeth 2 Pendant includes SkLO's field-adjustable Standard Stem Kit. A field-adjustable Extended Stem Kit is available at an additional cost. See specifications for kit details. Please contact us for more information and pricing.
