PRODUCT DESCRIPTION

Designer: SkLO

SkLO Union Pendant

The SkLO Union Pendant brings together glass domes of different proportions to create a distinctive, sculptural silhouette. The largest in the Union Collection, the Union Pendant brings together three glass dome shapes combined in upward and downward orientations. Each dome features a different colour and texture, adding depth and visual interest to the design. Due to the handcrafted nature of the glass, subtle variations occur from piece to piece, part of SkLO's design intent, ensuring each pendant has its own unique character.

The Union Pendant offers multiple customisation options, allowing you to create a pendant that suits your interior. The glass is available in Light Beige/ Olivin, White/ Smoke, and Pastel Green/ Pine Tree Green, while the metal finishes are available in a choice of Antique Brass, Brushed Brass, Dark Oxidised, Brushed Nickel, and Polished Nickel.

When illuminated, the inner opaque glass dome diffuses light into a soft glow. An opening at the bottom of the shade casts a downward-directed light, perfect for illuminating a dining table, coffee table, or kitchen island. Display individually, in rows lining the length of a long table, or in clusters to create a decorative focal point.

The Union Pendant includes SkLO's field-adjustable Standard Stem Kit. A field-adjustable Extended Stem Kit is available at an additional cost. See specifications for kit details. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	1 x Max 7W G9 LED (Included)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Shade Height: 52cm Shade Ø: 15cm Ceiling Canopy: Ø12.5cm **Standard Stem Kit (included)** 1 x 15.2cm, 2 x 30.5cm, and 1 x 45.8cm **Extended Stem Kit (available at additional cost)** 1 x 15.2cm, 1 x 30.5cm, 1 x 45.8cm, 1 x 61cm, and 1 x 91.5cm
