PRODUCT DESCRIPTION

Occhio Mito Largo LED Floor Lamp

The Occhio Mito Largo LED Floor Lamp offers an innovative lighting solution that encourages user interaction and can adapt to an array of interiors. The structure features a circular head which is fitted with integrated LEDs and can provide a relaxing downlight over your space.

With Mito Largo, you can easily modify the lighting output in a variety of ways with a simple gesture: adjust the colour temperature (adjustable from 2700K to 4000K), dim the illumination and even alter the direction of the light. All of this can be done by the movement of your hand. This high-tech floor lamp by Occhio is crafted from steel and can be utilised in a variety of contemporary interiors, thanks to the height-adjustable arched structure Mito provides a stunning lighting solution for over focal points in your room such as dining tables and coffee tables.
