Rubn Lord 1 Pendant Light

The Lord 1 Pendant was designed by Niclas Hoflin who is also the founder and creator of the Rubn brand. This Swedish designer uses his designs to '*honor aesthetics, durability, function and quality*'. These values can be seen in many Scandinavian designs such as the Rubn Lord 1.

This pendant light is available in a variety of different finishes, the metallic stem and canopy can be a black or brass finish whilst the glass shade can be brown, smoked or opal finish. The ceiling canopy, which is included, securely attaches the light to the ceiling and matches the finish of the light. However, this ceiling canopy comes in three models and you can [contact us](#) about other ceiling canopy options.
