PRODUCT DESCRIPTION

Designer: Franco Albini

Nemo Lighting Albini AM4C Pendant

The Nemo Lighting Albini AM4C Pendant features a rounded, opal white glass shade with chrome-finished steel detailing for an understated, elegant aesthetic. Part of Franco Albini's **Albini AM/AS Collection**, designed in 1969, it reflects his rationalist approach through simple forms and carefully considered materials. The hand-blown glass softens the metal elements, creating a balance that continues to enhance interiors today.

When illuminated, the AM4C diffuses light through its glass shade to create a soft ambient glow. Install a single pendant above a dining table or arrange several over a kitchen island for a cohesive lighting feature that doesn't overwhelm the space. Display with other pieces from the collection to create a scheme that celebrates classic Italian lighting design.

PRODUCT SPECIFICATION

Light Source:	1 x Max 250W E27 (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Shade: Ø40cm Shade Height: 32cm Cable: 250cm Canopy: Ø11cm Canopy Depth: 3cm
