PRODUCT DESCRIPTION

Designer: CTO Lighting

CTO Lighting Hepworth LED Ceiling / Wall Light

Inspired by the work of Dame Barbara Hepworth, the CTO Lighting Hepworth Ceiling/Wall Light embodies the same aesthetic as her sculptures. Combining brass and alabaster, Hepworth is highly versatile and adds a contemporary elegance to whichever room you decide to display it. When illuminated, this lighting solution provides soft, diffused light, encapsulating both the artistry of Dame Barbara and the ingenuity of contemporary design.

Thanks to the IP44 rating, the CTO Lighting Hepworth LED Wall Light makes a beautiful bathroom light, it can be displayed individually or in pairs on either side of a mirror. Similarly, this lamp can be utilised in living rooms, dining areas and kitchens - as well as in the hospitality sector in hotels, bars and restaurants.

Please Note: Due to the natural variations in the alabaster diffuser, the light output of each product will vary.
