PRODUCT DESCRIPTION

Designer: Pierre Guariche

Sammode Studio Pierre Guariche G13 Ceiling Light

Designed by Pierre Guariche in 1952, the G13 ceiling light by Sammode Studio combines functionality with visual appeal. Its perforated metal grille and Fresnel glass create a soft, diffused ambient light, making it as functional as it is decorative. Available in three colours and three sizes, the G13 ceiling light works equally well as a standalone fixture or arranged in a series to create a distinctive composition.

Pierre Guariche's iconic designs remain true to their original identity, balancing function with light that is carefully suited to its intended purpose. This commitment to quality continues in the manufacturing process: every Sammode Studio product is assembled and packaged at the company's production plant in Châtillon-sur-Saône, in France's Vosges region.

PRODUCT SPECIFICATION

Light Source: 1 x Max 11W E14 LED (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions:

Small:
Shade: Ø17cm
Height: 15cm
