LYFA Futé LED Portable Table Lamp

The LYFA Futé Portable combines functionality and design in a portable form, perfect for smaller spaces. Designed by GamFratesi, this lamp features a balanced aesthetic of fabric, ceramic, and a unique metal detail, creating a stylish addition for side tables or shelves. The thoughtfully placed metal element doubles as an intuitive touch-sensitive switch, allowing users to adjust the light with ease, bringing both elegance and practicality to any setting.

Emitting a warm, gentle glow through its textile shade, the Futé Portable offers three brightness levels for customised lighting. Its diffused illumination sets a cosy ambience ideal for intimate spaces, while the portability and compact form makes it versatile for various locations. The Futé Portable exemplifies LYFA's commitment to timeless design and high-quality materials, enhancing any room with its soft, atmospheric light.
