Nordlux Tin Maxi Outdoor Wall Light

SOURCE: <https://www.davidvillagelighting.co.uk/product/Nordlux-Tin-Maxi-Outdoor-Wall-Light/10000625>

PRODUCT DESCRIPTION

Tin Maxi Outdoor Wall Light by Nordlux

The Tin Maxi outdoor wall light is the perfect solution for outdoor spaces, featuring a slimline metal design and two light sources. The wall light has a cylindrical structure which sits subtly on a slender wall base for an effective and helpful illumination. The Tin Maxi is double ended so provides both an upward and downward directed glow.

The Tin Maxi outdoor wall lamp is available in a stainless steel, aluminium, white or black colour finish so you can find the right look for your exterior. The wall lamp is best used in driveways, gardens, patios, terraces and front doors to aid navigation in the dark. Suitable for homes, commercial spaces and big projects.

Please note, the stainless steel finish is not recommended by Nordlux to be used in aggressive environments. The Tin Maxi is also available with a motion sensor, please [contact us](#) for more info and prices.
