Poise LED Floor Lamp by KDLN

Designed by Robert Dabi, the Poise floor lamp is part of the [KDLN Poise collection](#), a range that is defined by an interactive and innovative design. The floor light features a slim circular shade that has an integrated LED light source, creating a beautiful band of light. The structure has a flexible section, allowing the user to move the shade into any position, producing a unique light flow for any interior.

The Poise floor light comes in a sleek black metal finish, being able to slip into any design scheme and setting. The floor lamp can be used in large and small rooms, whether used by a sofa or used as accent lighting in a corner. The floor light also has dimming capabilities so you can create the perfect ambience for your space.
