PRODUCT DESCRIPTION

Designer: Eugeni Quitllet

Kartell Light Air Pendant Light

Designed by Eugeni Quitllet, the Kartell Light Air Pendant is a contemporary luminaire with an illusion effect, like a suspended ballerina dancing mid-air. The pendant, as with the rest of the family, is available in a crystal-like or soft fabric version. The crystal makes the Light Air light more precious and elegant, while the fabric version ensures a more diffused illumination.

The Kartell Light Air Pendant retains all the essential and modern characteristics with a magical touch. The framework is made of polymethacrylate, the most transparent of plastics. And the lampshade is a conical parabola that diffuses light within the structure. Available in five finishes, this luminaire can be used in a variety of interiors and can be displayed individually or in multiples to create unique clusters.

PRODUCT SPECIFICATION

Light Source:	1 x Max 5W E14 LED (Included)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Ø14cm Height: 14cm Cable Length: 220cm
