Design For The People Blanche LED Floor Lamp

If you want an elegant art deco light for your space, look no further. Designed by Bjørn + Balle, the Blanche LED Floor Lamp turns heads with its sophisticated brass body and thin opal diffuser. The intricate brass details are the perfect finishing touch. The built in LEDs ensure a long lifespan and radiate a pleasant warm white light, offering a calming ambience in the desired room. Thanks to the flatness of the diffuser, the Blanche also guarantees an even light emission, diffusing light both upwards and downwards.

The ability to dim the light source by the touch dimmer on the diffuser also allows you the freedom to personalise the atmosphere. The Blanche Floor Lamp is perfect for living rooms and bedrooms. In particular, placed next to your sofa for quiet evenings at home, it also makes a perfect reading light.
