PRODUCT DESCRIPTION

Designer: George Carwardine

Anglepoise Original 1227 Mini Table Lamp

The Anglepoise Original 1227 Mini Table Lamp is a reimagined, scaled-down version of the **Original 1227 Desk Lamp**. At two-thirds of the size of the original, this compact version is designed to fit into a range of settings without compromising on space. The playful and versatile lamp features the instantly recognisable 1227 shade alongside some innovative updates. The new pyramid-shaped base and practical integral switch give the lamp a modern touch without losing any of the original's spirit.

The Original 1227 Mini Table Lamp sees a departure from the signature 3-spring mechanism synonymous with the **Original 1227 Collection**. Instead, a fixed arm is bent in shape to allow for directed light, perfect for use as a task light at a desk, bedside, or reading nook. Available in three muted tones, Linen White, Jet Black, and Dove Grey, the Original 1227 Mini Table Lamp suits a wide range of decors in residential and commercial spaces alike.
