PRODUCT DESCRIPTION

Designer: Christian Dell

Fritz Hansen Kaiser Idell 6580 Luxus Floor Lamp

Based on the **Kaiser Idell 6631-T Luxus Table Lamp** design, the Kaiser Idell 6580 Luxus Floor Lamp is an elegant light that has a thoroughly contemporary design, despite being created over 80 years ago. The floor lamp has a circular-shaped lampshade that is seen in all the lights from the **Fritz Hansen Kaiser Idell Collection**, and has a contrasting coloured and chrome finish. The height can be adjusted between 125cm and 135cm, and the light can be rotated 175° around its axis.

Emitting a downward light that is powerful yet soft, the Kaiser Idell 6580 Luxus Floor Light is functional and stylish, embodying the Bauhaus design movement of which Christina Dell was a part. This floor lamp is perfect for creating ambience and for use as a task or reading light. Wonderful for receptions, lounges and bedrooms, this light can be used commercially and in the home and is available in 3 lovely finishes to suit your needs.
