Fritz Hansen Kaiser Idell 6631 Pendant

The Kaiser Idell 6631 Pendant Light takes its design from the **Kaiser Idell 6631-T Luxus Table Lamp**, which was first released in 1936. The lampshade has the iconic oval-shaped design and also incorporates the swivel joint on the top of the shade, as seen on the table lamp. Both timeless yet modern, this pendant will add a chic and elegant touch to the room. The pendant light emits a downward-directed light which is both far-reaching and inviting, making it wonderful as a main light or as a spotlight over tables and surfaces.

The Kaiser Idell 6631 Pendant works wonderfully in kitchens, dining rooms and lounges and can be used in both professional settings and homes. Available in various colours, you will be able to find the right finish to match your interior design and make a statement in the room without sacrificing focus. Match with other lights from the **Fritz Hansen Kaiser Idell Collection** to have a coherent design theme throughout your space.
