

marset**Marset Plaff-On! LED Pendant****LA10783**SOURCE: <https://www.davidvillagelighting.co.uk/product/Marset-Plaff-On-LED-Pendant/10001020>**PRODUCT DESCRIPTION****Designer:** Joan Gaspar**Marset Plaff-On! LED Pendant Light**

The Marset Plaff-On! Pendant combines simplicity and functionality to produce a lasting lighting solution with a strong industrial style. This pendant is suitable for both indoor and outdoor use, harnessing an LED light source and a neoprene cable to ensure waterproofing with no deterioration. Solid and compact, its 16-cm-wide structure, which is available in either in black or rust brown, surrounds the glass diffuser - leaving a small space to grant the illusion of the LED light source floating.

Thanks to the downward projection of the light source in the Marset Plaff-On! LED Pendant, this lamp is perfect for illuminating dinner tables, kitchen worktops, contemporary workspaces or shop counters. Plaff-On! can be hung individually or as part of a cluster with several others. The Marset garland accessory allows for different lamps to be joined to a single point of light, perfect for hanging across your garden or outdoor dining space.
