Foscarini Caboche Plus LED Ceiling Light

Designed by Patricia Urquiola and Eliana Gerotto, the Caboche Plus Ceiling Light is part of the Foscarini Caboche Collection, a range that saw its beginnings in 2005. Wanting to design a lamp that was as charming and alluring as a pearl bracelet, the designers have made a series of lights that each have a gorgeous lampshade made from crystal-like spheres that glitter and amaze.

Now with an integrated LED, the Caboche Plus Ceiling Lamp builds on the previous ceiling application with a long-lasting and effective glow that is functional for many spaces. Available in a non-dimmable or dimmable version and a grey or transparent finish, you can easily find the best fixture for your interior. It is used in lounges, bedrooms, offices, and more in homes and commercial settings.
