Nemo Lighting Albini AM2Z Floor lamp

Nemo Lighting Albini AM1N floor Lamp symbolises Milanese architecture with rational principles. Franco Albini designed the shade in 1969 by combining smooth surfaces with a polished chrome finish. This adaptable lamp can be used in both a residential setting and a commercial setting such as an office or workspace.

Albini AM1N Floor Lamp is a minimalistic chrome shade attached to a steel tube and base. Albini also designed this floor lamp as a suspension light, wall light, floor lamp and pendant. The lamp stands at 180cm and casts a light upwards onto the ceiling.
