## PRODUCT DESCRIPTION

**Designer:** Nahtrang Studio

## Axolight Paralela LED Linear Suspension

Axolight Paralela LED Linear Suspension was created by Spanish designers, Daniel Vila and Ester Pujol who founded Nahtrang Studio in Barcelona. The inspiration came from a search to lend shape to light so that the light itself becomes a tangible decorative luminous element. The suspension is made from light-filled borosilicate glass cylinders which are then joined together by Nylon PA12 connectors. The suspension can be hung both horizontally and vertically.

Paralela suspension is available as a table lamp, floor lamp and wall lamp, in different sizes. The connects are available in five different colours: black, white, pine green, red earth and greige. These modern suspension lights can be hung above a kitchen or dining table on their own or multiple connected.
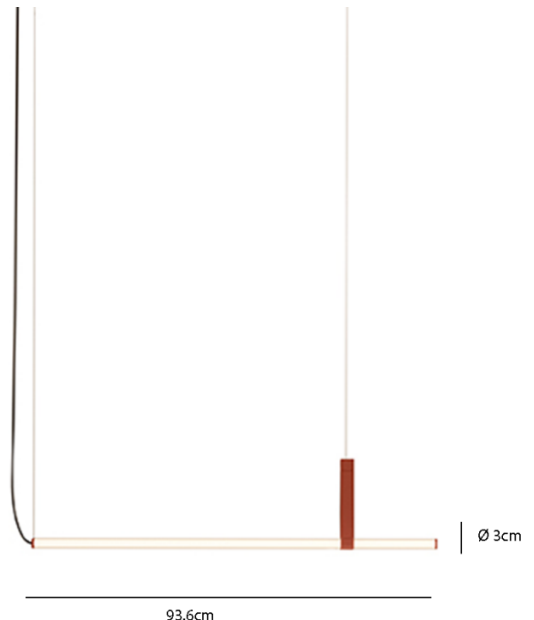

## PRODUCT SPECIFICATION

**Light Source:** 14.9W, 3000K, 1103 Lumens

**IP Code:** 20

**Dimming:** Dimmable via mains phase dimming

**Dimensions:** Length: 93.6cm
Tube diameter: Ø 3cm
Suspending cable: 300cm

Ø 3cm

93.6cm
