Fabbian Puppy Table Lamp

The Fabbian Puppy Table Lamp is a simplistic lighting solution with an essential look. Utilising a ceramic base from Nove (Vicenza, Italy) and a blown glass diffuser that sits atop, Puppy is the union of two elements that compliment each other in subtle harmony, providing the lamp with an elegant feel and the ability to suit a range of interiors. The slightly abstract silhouette provides the Puppy Table Lamp with a unique edge, allowing itself to catch the user's attention.

The glass diffuser provides a diffused ambient glow that expertly curates a calming ambience that is ideal for areas of relaxation and tranquillity. Designed by Alberto Ghirardello, the Fabbian Puppy Table Lamp is a perfect addition to living rooms, bedrooms and dining spaces. Although this table lamp is not limited to residential use - it is a fun way to illuminate cafes, restaurants, bars, shop counters and hotel lobbies.
