PRODUCT DESCRIPTION

Designer: Note Design Studio

Zero Sprinkle Pendant

The Sprinkle Pendant is a small lighting solution with a bold personality, it features a geometric silhouette and upon closer inspection utilises a slatted shade. These metal slats create transparency, and layers to distribute the light and resulting in an even illumination. Designed by Note Design Studio, the Zero Sprinkle Pendant is available in six vibrant composed finishes, which is where the design earned its name, choose from blue, red and yellow alongside more neutral tones of brown, black and oyster white. Each pendant features a matching coloured fabric suspension cable.

The Zero Sprinkle Pendant is a fun addition to any contemporary interior whose name derives from the hues of sprinkles used to top cakes. It is designed to work well when displayed individually in a space or to easily make a statement when suspended in clusters. Broadcast Sprinkle in Kitchens, Hallways, Stairwells and even children's bedrooms. It is also a unique addition to commercial environments such as hotels, restaurants, bars and cafes.
