PRODUCT DESCRIPTION

Designer: Ronan & Erwan Bouroullec

Flos Piani LED Table Lamp

Design duo Ronan Bouroullec & Erwan Bouroullec designed the Piani LED table lamp for Flos in 2011. The Piani table lamp is comprised of two overlapping flat shapes. The upper element disperses direct light while the lower element - in the shape of a handy tray - can be used to hold small items such as pens, coins and jewellery to keep a desk space or bedside table tidy.

Featuring an on/off switch on the cable and available in black, the Piani LED table lamp is perfect for use as a task lamp and equally as an ambient accent light in a living space.
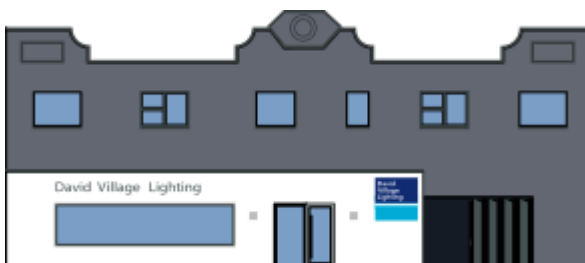

PRODUCT SPECIFICATION
