Clessidra LED Wall Light by Flos

The Clessidra wall light, designed by Antonio Citterio, is a stylish and versatile contemporary design. Architectural and beautifully refined, the Clessidra wall lamp has a dual emission providing both up and down lighting and with a choice of either a narrow (20°+20°) or wide (40°+40°) beam angle from two 10W integrated LED's.
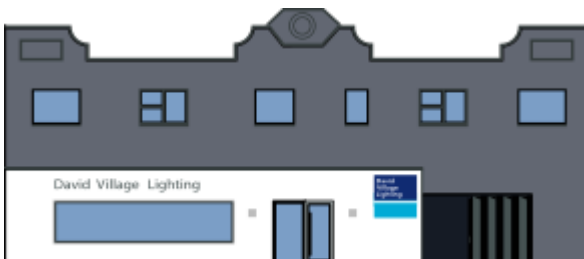

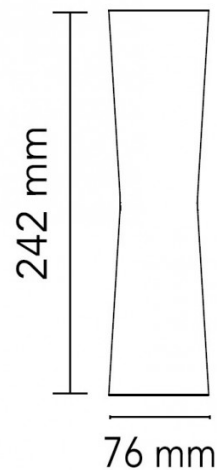

Citterio's Clessidra LED light is available in four colour finishes: white and chrome, both suitable for indoor use, and deep brown and grey, suitable for both indoor and outdoor use.
