PRODUCT DESCRIPTION

Designer: Bonderup & Thorup

Semi Pendant Light by Gubi

Impressive but discrete, the Semi pendant was originally designed in 1967 by the Danish architectural duo Bonderup & Thorup and is now supplied by Gubi. Wanting to gradually move away from the soft forms that dominated Danish design at the time, the duo used geometric and sharp lines to create the iconic Semi pendant lamp, fitting perfectly in both domestic and professional settings.

The Gubi Semi works particularly well above a table or dining area, due to the glare-free downlight. The Semi lamp is available in 4 sizes and various finishes; the white and black lights have a matt finish while the other 4 colours have a glossy finish.

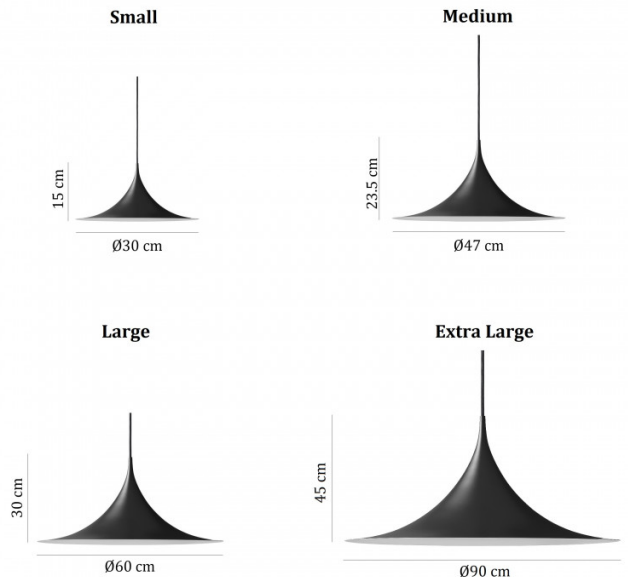

PRODUCT SPECIFICATION

Light Source: **Small** - 1 x max 6W E14 LED (excluded)
Medium - 1 x max 10W E27 LED (excluded)
Large - 1 x max 10W E27 LED (excluded)
