### PRODUCT DESCRIPTION

**Designer:** Ramos & Bassols

### Vibia Plis Outdoor Floor Lamp

The Vibia Plis is an exterior portable floor lamp, allowing you to manoeuvre the light to wherever you need it most in your outdoor space - without being limited by cable lengths. This outdoor floor lamp, designed by Ramos and Bassols, uses a polyethylene diffuser, resulting in a warm illumination that creates a calming ambience and is perfect for relaxing summer evenings in your garden. Vibia Plis boasts the silhouette of a classic floor lamp shape and the neutral white finish means it can easily suit to a wide range of personal styles.

The Vibia Plis Outdoor Portable Floor Lamp is the definition of functionality and is a beautiful addition to not only residential gardens but also for public spaces, especially in the hospitality sector - Plis creates an inviting atmosphere for restaurant terraces, outdoor bar areas and hotel balconies.
