Gregg Outdoor Pendant Light by Foscarini

A small cloud of light, the Gregg outdoor pendant light is suitable for exterior use. Italian designer lighting at its finest and bearing the signature of designers Ludovica and Roberto Palomba, the Gregg pendant becomes a luminous presence when lit. Resembling many things in nature, this lampshade has a unique shape and diffuses the light to create a glare-free, far-reaching illumination.

The Gregg outdoor pendant is available in three sizes, medium, large and extra large, so you can find the right fit for your space. You can utilise this pendant by using it for patio areas, permanent gazebos or in your garden where there is coverage. This pendant light will create a beautiful atmosphere as the night sky approaches and will look good both in a domestic garden or a commercial patio area.

Please note ceiling canopy not included.
