Foscarini Tress Large LED Pendant

## PRODUCT DESCRIPTION

Designer: Marc Sadler

Tress LED Large Pendant Light by Foscarini

The Tress LED large pendant is a beautiful and contemporary light that has a lovely woven pattern made using a new composite material that combines resin tape and fibreglass. Made by Marc Sadler, this pendant is perfect for many spaces to provide a big illumination and has a long-lasting integrated LED light source.

This pendant light is available in a non-dimmable or dimmable option and in three colours, black, white or greige (a mix of grey and beige). You can use alone or mix and match colours to create a varied and stunning feature light. Use in rows or clusters over tables which will light up underneath the downward directed glow. Wonderful for homes and professional settings, match with other lights from the Foscarini Tress collection.
