14 Series Multiple Pendants by Bocci

The 14 Series multi pendant light is made up of either 3, 5 or 7 of the [14.1 pendant lights](#), and is a spectacular and chic light fixture. Each shade is made from gorgeous borosilicate glass which holds the included LED light source. You can choose between an **LED 1.5W** light bulb which is non-dimmable or a **Xenon 10W** bulb which is dimmable. The bulbs that are included by Bocci on purchase, ensure for a long-lasting glow that twinkles out of the glass spheres in a beautiful and mesmerising way.

The 14 Series multiple pendant can be used in many settings whether you want a big centrepiece light or an atmospheric light to brighten up a corner. You can also adjust each pendant lamp to different lengths, giving you full control over the aesthetic and styling of the multi pendant.
