PRODUCT DESCRIPTION

Designer: Ramos & Bassols

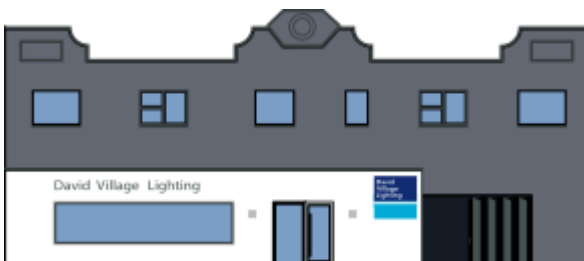

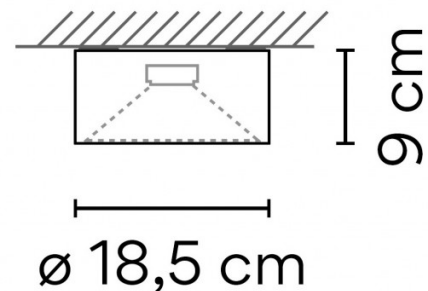

Vibia Domo Ceiling LED Light

Designed by Ramos & Bassols, the Domo LED Ceiling Light has a classic silhouette that can easily slip into any design scheme, whether modern or more traditional. This ceiling lamp aimed to create a spotlight effect from a ceiling fixture, perfect for lighting hallways and corridors and able to be displayed individually or in larger configurations.

The Vibia Domo is guaranteed to add a touch of minimalist elegance to your space whilst easily adapting to almost any contemporary interior. The Domo Ceiling Light has an integrated LED light source for long-lasting and efficient illumination. Use in homes, professional spaces and hospitality venues for effective and contemporary lighting.
