PRODUCT DESCRIPTION

Designer: Piero Lissoni

Clara LED Wall/Ceiling Light by Flos

The Clara LED light, by designer Piero Lissoni, can be mounted both on the ceiling and wall. The slim, minimal profile of the Clara ceiling/wall light lends itself to illuminating small rooms or creating ambience in a larger room and radiates an even pool of light.

Piero Lissoni's Clara ceiling and wall light is available with no ring for a truly minimal look, or with a ring in copper, chrome, smoke or transparent, to add a touch of modernity or to match surrounding finishes in a room. The classic round shaped diffuser is made of sturdy white opal polycarbonate, which provides a soft, glare-free light thanks to the integral LED technology.
