PRODUCT DESCRIPTION

Designer: Marta Laudani & Marco Romanelli

Oluce Stones Outdoor Floor Light

Oluce Stones Outdoor Floor Light was designed by Marta Laudani & Marco Romanelli in 2001. The creative pair designed these luminous stones to be discreetly placed on the floor while lighting the way. These rock-like lamps disperse light evenly in all directions, creating a unique and stunning ambience, individually or in a group. Stones Outdoor Floor Lights are designed to resemble natural rocks.

Oluce Stones Outdoor Floor Light has a IP65 rating, allowing these impressive lamps to go outside for a relaxing alfresco evening. These luminous stones are available in three different sizes: small, medium and large. Laudani and Romanelli created this floor lamp as a descendant of [Stones Of Glass Floor Lamp](#), which was the original Stones floor lamp.

PRODUCT SPECIFICATION

Light Source: **Small** - 1x Max 12W, E27 (included)
