Over Pendant Light by Prandina

The Over pendant light is characterised by its spherical shade made from satin white opal glass. The design is sleek and simple, very useful for a variety of spaces. The lampshade diffuses the light and produces a far-reaching glow, creating a warm and welcoming atmosphere.

The Over pendant is a reliable and functional light that will look great in a number of settings, whether at home or in the office. The shade is both elegant and well-made, reinforcing Prandina's ideal to never neglect detail. The pendant comes in 2 sizes, the S3 and S5, allowing you to create a lighting scheme that works for you. Mix and match the sizes to create variety or buy multiple of the same to have a consistent display.

An integrated LED version of this pendant is also available to buy online. Please [click here](#) to find out more.
