Innermost Membrane Pendant Light

SOURCE: <https://www.davidvillagelighting.co.uk/product/innermost-membrane-pendant-light/17263>

PRODUCT DESCRIPTION

Innermost Membrane Suspension.

Membrane's smokey hand-blown glass body seems to cool and harden at the precise moment bulb and shade become one, forever encapsulating light sources. Details such as a gentle gradient in smoky glass coupled with polished gunmetal fittings result in a sophisticated design well suited to upscale interiors.
