Davide Groppi Movie LED Floor Lamp

Davide Groppi Movie LED Floor Lamp was created by Spanish designer, Omar Carraglia in 2005. Using an RGBW system, the Movie Floor Lamp allows you to create any colour for your atmosphere. Carraglia designed this light to incorporate all the colours of the spectrum, resulting in an extremely comfortable lighting solution. Cleverly constructed, the Movie LED Floor Lamp utilises LED technology that provides bright and clear illumination to enhance your space. The LED light source is housed in a 198.5cm metal case that can be featured in commercial and residential settings.

Movie LED Floor Lamp has a high-end finish that makes it stand out and adds a touch of elegance to any interior. This striking understated design is a testament to its remarkable craftsmanship by the experts.
