343 Table Lamp by Le Klint

The 343 table lamp was first designed in 1948 by the iconic Gunnar Biilmann-Petersen for a commission by Le Klint. Using the hand-pleated lampshade, that has been the trademark design of Le Klint since its opening in 1943, Biilmann-Petersen has combined this a beautiful green glass base, creating a simple yet eye-catching lamp.

The diffused light creates a warm glow and the mesmerising base creates a colourful touch to any room. Ideal for lounge or reception areas, this table lamp is suitable in both domestic and professional settings. The 343 table lamp is a timeless and elegant design, adding a splash of charm and playfulness to any interior.
