### **PRODUCT DESCRIPTION**

## Zero Mist LED Ceiling/Wall Light

With Mist, Front continues its design experimentation with light and shade, hand-blown glass and LED technology. The result is a pendant, ceiling- and wall fixture with double globes that diffuse the light evenly and pleasantly. The semitransparency of the outer glass globe provides depth and creates an illusion of light glowing through a mist. The inner shade is available in opal white, yellow or pink as standard.

David

Village Lighting

LED dimmable version also available.

#### **PRODUCT SPECIFICATION**

Light Source: 9W, 3000K, 880 Lumens IP Code: 20

Dimming: Non-Dimmable.

Dimensions: 250:

Depth: 13.7cm Width: 25cm

**350:** Depth: 19.3cm Width: 35cm
