PRODUCT DESCRIPTION

Designer: Lucie Koldova**Brokis Mona LED Floor Lamp**

The Brokis Mona LED Floor Lamp was designed by Lucie Koldova and is based on the concept of penetrating forms. The smooth glass shade boasts an integrated LED tube which emits a beautiful decorative glow. The light's disposition, however, lies in its unconventional construction and refined combination of materials. The metal body proudly holds the bold light source, without drawing too much attention from the hand-blown glass.

Every single aspect of this lamp can be personalised, allowing you to choose the glass finish, body finish and cable colour. This contemporary floor lamp by Brokis effortlessly illuminates your interior with an unconventional yet stylish composition, whilst adding a touch of subtle luxury to an open space. A gorgeous addition to living rooms, dining rooms, hallways or bedrooms. Mona can also be utilised in commercial settings such as restaurants, bars and hotel lobbies.
