Brokis Puro LED Pendant

The Brokis Puro LED Pendant is a boldly minimalistic atmospheric pendant light. Designed by Lucie Koldova, the inspiration for the Puro Pendant and its name comes from the Spanish word for “cigar”, which also means “pure” and is a reference to the composition's clean lines and soft silhouette. The design creates an intriguing display of vertical luminous 'cigar tubes' levitating in space above simple bell lights. The Brokis Puro LED Pendant offers a diffused glow, emitted from both the tube and the suspended bell light source to elicit a dynamic ambience, while the alternating gloss and matte finishes provide a degree of provocation.

The Brokis Puro Pendant is available in the following finishes:

Glass - Acid Etched : Triplex Opal or Dark Grey Opaline

Material : Iron - black matt powder coating, or Iron - white matt powder coating.

Cable and canopy Black or White

There are also different lighting outputs and dimming options available, please [contact us](#) for more details and pricing.
