PRODUCT DESCRIPTION

Balancer Floor by Northern

Balancer is a showstopper in both function and form. Expertly crafted in black, powder-coated steel, this floor lamp offers a stunning combination of light, geometry and style. Formed by clean, architectural lines and classic geometrical shapes, Balancer is uniquely interactive. Crafted in the shape of a cylinder, a heavy base anchors the structure firmly to the floor, while the movement of the shade poses a counterweight to the frame. At the turn of a swivel key, the shade levers upwards to cast light over the surroundings, or pivots downwards to direct it towards the floor. Balancer's brightness is both diffuse and direct, creating a careful balance of atmosphere and ambient light.

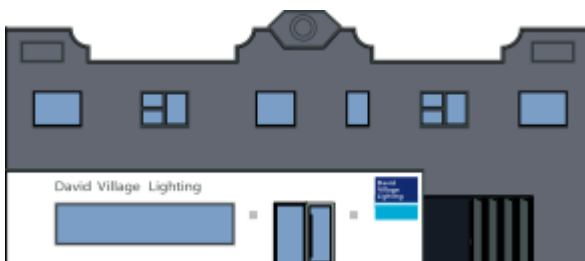

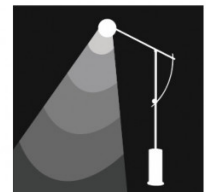

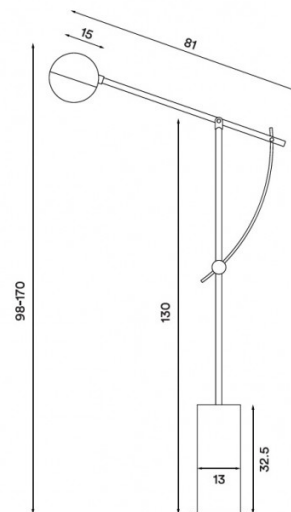

PRODUCT SPECIFICATION

Light Source: 1 x Max 60W E27 (excluded)

IP Code: 20

Dimming: In line dimmer included on cable.

Dimensions: Height: 98-170cm
Arm Length: 81cm
Shade: Ø15cm
Base: Ø32.5cm
Base Width: 13cm
Base Height: 32.5cm
Cable Length: 200cm
