Brokis Macaron Table Lamp

The Brokis Macaron Table Lamp pays homage to the beauty and complex structures of crystalline stone. Enclosed in the two opposing domes of delicate handblown glass, the stone becomes a moonscape, granting a beautiful lighting effect when turned on.

Natural imperfections in the glass and the stones mean each Macaron lamp is a unique original. The use of unique and natural materials is typical of Brokis a brand and the varying finishes and sizes means Macaron can swiftly adapt to a wide range of contemporary setting in both residential and commercial environments.

Brokis Macaron comes in three sizes, as well as the following finishes:

Glass:

Transparent glass, smoke grey, amber, light pink.

Central Material:

European Oak -stained white, European Oak - stained black, Brokis glass - smoke grey matt, Brokis glass - triplex opal matt, Onyx white, Onyx honey.
