PRODUCT DESCRIPTION

Designer: Ines Paolucci and Daniele Statera

Slamp Diamond Floor Lamp

Slamp's Diamond Floor Lamp is the definition of eye catching. This sculptural lamp was made for modern contemporary interiors and is sure to be a conversation starter, as well as an exceptional source of light. Designed by Ines Paolucci and Daniele Statera, the Diamond Floor lamp was inspired by the work of Brancusi, boasting a bold form consisting of geometric details which allow the light source to accentuate its various facets and angles.

This luminaire brings not only illumination to your space but also a piece of art. When turned off the body appears opaque and white. Whereas once the light is turned on, the Opalflex® body becomes slightly transparent, creating a kind of illusion.

The Diamond Floor Lamp is another light by Slamp which benefits from their own patented materials, it is crafted from Opalflex® and is mounted on a small plate made of aluminium. Opalflex® is well known for its durability and is recommended by many designers due to the high quality of this material.

PRODUCT SPECIFICATION

Light Source: 1 x Max 12W LED E27 Excluded

IP Code: 20

Dimming: In line on/off switch included on cable.

Dimensions: Medium:
Height: 72cm
Width: 22cm
Depth: 23cm

Large:
Height: 111cm
Width: 27cm
Depth: 26cm
