Oluce Alba Wall Lamp

Oluce Alba Wall Lamp, designed by Mariana Pellegrino Soto, is a beautiful polished opaline mouth-blown glass shade which sits delicately on top of an anodic bronze frame. Soto was inspired by water droplets which hang from different surfaces for this wall light. The opaline colour of the glass shade produces a diffused glow, creating a soft atmosphere and a sophisticated element to any décor.

Oluce Alba Wall Lamp is a great addition to the [Alba collection](#) and reinforces decorative and precious character. With a depth of 33cm and a diameter of 26cm, this classic wall light is ideal for hallways and atriums within both a residential and commercial setting.
