Oluce Alba Floor Lamp

Oluce Alba Floor Lamp was designed by Mariana Pellegrino Soto. This minimalistic floor lamp stands 161cm tall on a brass square base which is ideal for the corner of the lounge to create a cosy diffused atmospheric light. Alba floor lamp was inspired by a single water droplet which is represented by the polished opaline glass shade. Add an element of sophistication to any décor with this timeless opal-coloured shade, that creates a diffused subtle cast. Each shade is mouth-blown for a natural profile.

Alba Floor Lamp's stem is built from anodic bronze metal which stands 161cm tall. Alba Floor Lamp is also available as [Oluce Floor Lamp Double Shade](#) version. The [Alba collection](#) also consists of a table lamp, two different versions of pendants and a wall light.
