PRODUCT DESCRIPTION

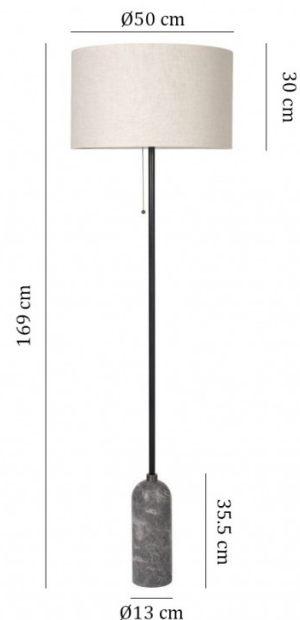

Designer: Space Copenhagen

Gravity Floor Lamp by Gubi

The Gravity floor lamp, designed by Space Copenhagen, is part of the [Gravity family](#) distributed by Gubi. Formed in 2005, the design duo call their approach “poetic modernism”—using and balancing opposites throughout their designs to create both duality and contrast. With a dense base and light shade, this lamp truly embodies this sentiment as the marble/steel and the canvas/white textile elements both compliment and oppose each other. Resulting in a classic but also modern looking lamp, the colour combinations available means that you can find the perfect fit for your décor. With a dimmable function (when using a dimmable bulb) this lamp can also create the perfect atmosphere, tailored to you, and works best in lounging areas.

PRODUCT SPECIFICATION

- Light Source:** 3 x max 57W E27 (excluded)
