PRODUCT DESCRIPTION

Designer: Simon Karkov

Normann Copenhagen Norm 69 Suspension

Normann Copenhagen Norm 69 Suspension was originally designed by Simon Karkov in 1969 but was released in 2002. Norm was an instant success, winning the Denmarks Formlandprisen award in 2002 and Germany's IMM Cologne for Best Item in 2003. Comprised of 69 foil pieces, that make up the shade, the Norm 69 can be assembled without the need for tools. The suspension brings extraordinary light into any interior space whether that be commercial or residential.

The Norm is available in 4 sizes ranging from Small to Extra Large allowing you to choose the correct size light for your decor. A light suitable for small and large spaces, both residential and commercial. **Norm collection** includes three other versions. Three suspensions were designed by Karkov: Norm 06, Norm 12 and Norm 69 whilst Norm 03 was designed by Britt Kornum. All Norm suspension can be purchased with or without a suspension kit.

Please note this is a self-assembly product. A manual is included with the light.

PRODUCT SPECIFICATION

Light Source: 1 x Max 9W LED E27 (excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming

Dimensions: **Small**
Shade: Ø 42cm
Height: 42cm
