PRODUCT DESCRIPTION

Designer: Neil Poulton

Artemide Calipso Suspension

The iconic honeycomb surfaced Calipso light, a design be Neil Poulton for Artemide. Neil is best known for creating 'deceptively simple-looking mass-produced objects' and has been awarded many design awards. Calipso was created using an image of the moon and a complex algorithm. The large surface is comprised of various, thin tube sections and all together forming an almost perfect circle. Calipso is an ode to nature's irregular geometries, a trued example of aesthetics and optical intelligence.

You can select between a 2700K or 3000K colour temperature. The Calipso is also available in an <u>App Compatible version</u>, controlled via the Artemide App.

PRODUCT SPECIFICATION

Artemide

LA5627

Light Source:	55W, 2700K, 2884lumens or 55W, 3000K, 2884lumens
IP Code:	20
Dimming:	Push to make/switch dimming, dimmable using push to make switches. Please consult your electrician, additional wiring may be required on site.
Dimensions:	Ø 52.6 cm 5.6 cm depth 180 cm max cord length Ø 25 cm ceiling rose
