PRODUCT DESCRIPTION

Designer: Sergio Prandina

Vestale S3 Pendant Light by Prandina

Designed by Prandina founder Sergio Prandina, the Vestale S3 pendant is an elegant [pendant light](#) which serves only to reinforce the Italian brand's already glowing reputation for working with glass.

A crystal clear upper section and coloured lower section seem to have been attached after the fact, but are actually two halves of a whole: a single piece of blown-glass through which light is diffused into the surroundings. This sleek, contemporary pendant is the perfect addition to any modern home, office, or commercial environment, equally striking when hanging over a dinner table as it is when suspended above a meeting room or shop floor.

The Vestale S3 pendant light is available in two colours, Glossy White/Transparent and Glossy Smoked Grey/Transparent. A [table lamp](#) version is also available.
