PRODUCT DESCRIPTION

Designer: Michael Anastassiades

Double Angle Pendant Light by Michael Anastassiades

PLEASE NOTE: This pendant requires a specified rod length before purchasing. Please [contact us](#) for more information and for placing an order.

Materials:

Satin nickel plated brass, mouth blown Czech glass opaline spheres.

The Double Angle pendant is rod suspended - the length of the rod is cut to order.

Light source (included)

Michael Anastassiades' design philosophy is to preserve the natural qualities of materials. Their products are handmade and come in natural finishes, exposed to the elements without any protective lacquers. They look at oxidation as part of a process that adds to the patina of an object, increasing beauty with time. They suggest using the white gloves provided when handling the product to protect its natural finish.
